Roles and Responsibilities

Organize orientation programs for freshers to familiarize them with institutional policies, resources, and student support services

- Facilitate regular internal audits, performance analysis, and feedback mechanisms for teaching-learning, research, and administration.
- Promote result-oriented planning, execution, and review of academic programs and support services.
- Promote the adoption of student-centric teaching methods, ICT-enabled learning, experiential learning, and blended learning.
- Encourage innovation, creativity, and skill development among students through structured programs.
- Maintain comprehensive documentation of institutional activities, including meetings, initiatives, feedback, and outcomes.
- Prepare and submit Annual Quality Assurance Report (AQAR) to NAAC as per prescribed format and timeline.
- Design and implement systems for collection and analysis of feedback from students, alumni, faculty, employers, and other stakeholders.
- Organize seminars, workshops, FDPs, and awareness programs to foster a quality culture among faculty, staff, and students.
- Encourage and monitor faculty and student research, publications, consultancy, and extension activities.
- Facilitate collaborations with research bodies, industries, and academic institutions.
- Coordinate preparation for NAAC accreditation, including SSR preparation, DVV clarification, and peer team visits.
- Guide departments in the collection of quantitative and qualitative metrics, institutional best practices, and strategic plans.
