THE BHARATH SCOUTS & GUIDES

P.E.S MANDYA ROVERS CREW

There is a lot of selfishness in man's life, but some fine minds have managed to break out of the shackles of selfishness and have made 'service to mankind' their motto. To instill this sense of service in young and impressionable minds, 'Rovers Crew' a wing of Bharath Scouts and Guides was started in our college for the first time at the college level in this district. It was a team of 24 students and was called crew, later on it was named "PES Mandya Rovers crew" with service being their motto.

There are three age groups in Bharath Scouts and Guides, and 'Rovers' is one of them.

I Age Group:- Children from 5 to 10 years, the Boys are called cubs and Girls are called Bul Buls.

II Age Group:- Boys and Girls from 10 to 15 years of age, the Boys are called Scouts and Girls are called Guides.

III Age Group:- The youth group, 16 to 25 years, The Men are Rovers and Women Rangers.

In the academic year 2012-13, I, S.K. Veerasha, Assistant Professor of Kannada department attended a training programme at kondajji, Davanagere District, using the training and information gathered there we started a Rovers unit in our college.

The team was divided into 4 groups, and were called "Lal Bahadur Shastri Patrol, Sangolli Rayanna Patrol and Subhas Chandra Bose Patrol," the additional group was called "Bhagat Singh Patrol".
