## Part B

### CRITERION I – CURRICULAR ASPECTS

## 1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

Our college is affiliated to the University of Mysore. Hence, university prescribed syllabus has to be adopted and the same curriculum should be delivered to the students of our college. With respect to documentation, our faculty members prepare the lesson plan and maintain the work diary and in turn which is endorsed by both respective head of the department and the principal. As per UGC norms, faculty members are allotted with 16 hours per week lecture session for social science teachers and 20 hours per week for science stream. Our College is currently having the following mechanisms for effective delivery of curriculum: At the beginning of an academic session, departmental meetings are held in every department in which the topics in the syllabus are distributed to the teachers after discussion with them. Number of classes for each topic is decided according to the syllabus and credits (UG & PG) assigned to each topic/Group/paper etc. Teachers prepare their lectures according to the syllabus allotted and classes available. Classes are held according to the schedule under the supervision of college Principal and respective head of the departments. We have a very rich central library with open access system and many departments have their Departmental libraries too for the benefit of the students. A good number of Journals (Science, arts and commerce) are subscribed by our college. Infilbnet(e-books and e-journals) facility is available for teachers and also for the students. Our college has registered for NPTEL (National Programme On Technology Enhanced Learning) where students can have the access of e-learning through online Web and Video courses for various streams. Various classroom teaching methods based on various needs of different subjects are regularly used for the effective delivery of the curriculum such as Chalk and Blackboard method, Use of Scientific models and charts for effective lecture delivery(ICT), Distribution of class notes by teachers, seminars by students related to curriculum, Projects for final year students in science stream is also conducted, Seminars and special talks by experts are also arranged regularly for advance studies, Regular class test, Mid semester examinations, regular assessment in practical classes, viva-voce, are done to keep track on the improvement of the students. Remedial and tutorial classes are also conducted based on requirement. Departments maintain the detailed record of the classes, assessments, project reports etc. College administration also keeps a vigilant eye on the results, student needs and also keeps record of the different activities of the college regarding teaching, learning, development and improvements of different methods of effective curriculum delivery.

#### 1.4.2 – How the feedback obtained is being analyzed and utilized for overall development of the institution? (maximum 500 words)

Feedback Obtained
<p>Students' feedback is filled by both UG and PG Students on their last working day in the college through online. College has Feedback Management System to express students' opinion. Attendance of each student is mentioned in the feedback form. Feedback is received on varied aspects of the college including location, office, canteen, laboratory, library, administration and academics. The feedback obtained from Students is analysed based on the questions and the responses. The questions are prepared based on skill and knowledge a faculty possess and the same is utilized for analysis. If the response rate is less for a particular question, the same is informed to the concerned faculty member to improve in that area. And finally at the end of the year all faculty members are informed to execute their work with betterment as compared to previous year. The points are calculated according to the grades given by the students in various criteria. The grades are given as Excellent, Good, and Average. The Average and percentage of various criteria are calculated. The strength and weaknesses mentioned by the students are summarized. Feedback is also collected from the parents during 'Parent Teacher Meeting' that are organised by the college. Suggestions and comments given by the parents are also taken into account for future development. The different areas where improvements are</p>

required are discussed in respective committees/departments. The proposals given by the different committees and departments are discussed in Sub-Committee meetings of the college for necessary action. Strengths of the college are also taken into consideration for further up-gradation.

2.5.2 – Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words)

All affiliated colleges are bound by the university norms. The university has introduced major reformations in the examination from 2018-19. • Both the question papers and answer scripts are bar-coded. • New coding and decoding method has been introduced. • Each valuer will be given a code number and entry in to marks sheet is done under that code number. • As a result of these reforms, declaration of result is very quick and efficient. There is no scope for manipulation in the process and confidentiality is maintained. • Each question paper has a code called Q.P code which is further subdivided. Student can obtain Xerox copy of the answer script and apply for revaluation. There is a provision for re-valuation a. Valuation process and result announcement is fully automated and outsourced, which ensure transparency and speed. b. Online payment of examination fee is introduced c. The latest reformation in the examination system is the introduction of the scheme called 'Sakala'. It is a flagship initiative of the state government aimed at providing timely services to citizens under the Karnataka Guarantee of services to citizens Act 2011. This Act guarantees quick and time bound service to the stake holders. It helps to overcome the lethargy of the case workers while issuing marks cards, convocation certificates etc., Following is the list of services included under Sakala with regard to university examination. List of services 1. Name correction in marks card as per SSLC/PUC marks cards. 2. Removal of 'withheld' from marks card. 3. Removal of 'non-completion of lower examinations' (NCL) from the marks card. 4. Migration certificate. 5. Provisional degree certificate. 6. Provisional marks card. 7. Provisional pass certificate. 8. Official Transcript. 9. Migration certificate. 10. Convocation certificate.

2.5.3 – Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

It is the prerogative of the university to decide the calendar of events. As per university norms, we are bound to conduct internal assessment tests. First internal assessment test is conducted after 8 weeks of the commencement of the semester. After the completion of 12 weeks the second test would be conducted. Average of these two tests becomes the assessment marks out of 20. Improvement or the third test is also conducted to those who could not attend the previous

tests for valid reasons. It is also an opportunity for the students to improve their marks. The following are the various plans. Term wise Teaching Plan: Based on the prescribed syllabus issued by the affiliated university, term wise teaching plan is prepared. The staff members have to prepare a teaching plan in the beginning of each semester and they cover the portion in accordance with their plan. The staff members are required to maintain the work diaries about topics actually covered matched with the plan. Rectification steps are also taken if required like extra classes, special classes. Action Plan of Various activities: Different committees are formed well at the beginning of each academic year. The coordinators and committee members propose action plans of various activities such as cultural programs, seminars/workshops, tutorial classes, special lectures, academic and industrial visits, NCC, NSS, Rovers and Sports events with in the frame work of the calendar of events issued by the university. Departmental Teaching Plans: Each department functions according to the teaching plan prepared at the department level. The unit wise syllabus is discussed with the faculty. The audio/visual aids and the logistics are used inside the classroom. The department teaching plan also contains list of unit tests, assignments, projects, industrial visits, seminars, field trips and other activities. All the faculties maintain work diaries that are updated daily. The head of the institute reviews the work diaries regularly and it will be countersigned by the principal at the end of every month. Skill Development/Assignments: The department of commerce and management carryout skill development /Assignments to students, within the frame work of the prescribed syllabus and guidelines issued by the university. The marks obtained in the skill development are to be added for the test marks. Internal tests: Internal Assessment/Test committee is formed at the institutional level conducts two internal test for all the students of semester scheme, a record book is maintained by the departments for the award of internal marks. The departments carryout internal assessment based on students test performance and punctuality. The final evaluation of student is done according to the university schedule. At the end of each semester, examinations are conducted and evaluation is carried out by the Central Examination Board of the university. The Exam results are declared and marks cards are issued by the affiliated university.

### 7.2 – Best Practices

#### 7.2.1 – Describe at least two institutional best practices

**Best Practice I Title of the Practice: Monetary Help to the deserving students**  
Objectives of the Practice It has been obtained from the profile students joining various courses of the college that there are many students coming from the rural areas with low economic back ground. Their parents are unable to provide them a sustained financial support because of agriculture, being a gamble with rain in the district, is not a source of assured income. So, the noble objectives of the practice are ? To extend financial aid to the poor students, especially from the rural, to save them from discontinuation of their studies owing to poverty. ? To support financially all the deserving poor students without any discrimination of caste, creed or gender. ? To promote the 'equality' among the students The expected outcome is that the students should be able to complete their degrees with good marks. The Context The noble objective had its teething as well as challenging troubles in implementation. ? Pooling up of the required resources was a tough task. ? Verification of the financial backwardness of the aspirants was yet another challenge. The management has insisted on strict adherence to the rules The Practice In and around the areas of the college, there has been a long history of frequent droughts and famines, which have ravaged the rural life throwing the people into miserable conditions of abject poverty, illiteracy and ill-health. In a situation of such dire poverty, whatever meager resources available are used primarily to make both ends meet. So, sending their children to the town for higher education becomes almost impossibility for the poor parents in the rural areas, in the context of higher education demanding higher amounts of money. Though, sometimes, they do venture to admit their children to colleges in the town, they are unable to give sustained financial support throughout the course of study because agriculture, being a gamble with rain in the district, is not a source of assured income. So, it is evident that without financial support from an external source, the rural youth cannot hope to successfully complete their higher studies. Innovation and Best Practices -P.E.S.College of Science, Arts Commerce This illustrious institution, true to its legacy of pro-poor-student attitude since its inception, has taken a firm resolve to extend all possible financial support to the deserving students and help them to realize their fond dream of acquiring higher education. For this, the college instituted voluntary donations from staff. The financial support is extended to all the deserving poor students without any discrimination of caste, creed or gender. The students whose parents do not have fixed reasonable source of income and do not enjoy any other financial assistance in the form of social welfare or endowment scholarships are eligible for the aid. Apart from the monetary aspect, endowment scholarships are a proof of academic achievement and hence, the students are developing a keen spirit of competition to secure the endowment scholarships, another source of the aid is our faculty members. Drawing inspiration from institution's legacy of pro-poor-student attitude and

action, wherever possible, they are paying the tuition fee and examination fee of regular and industrious students who are unable to pay the fees owing to poverty. Lack of will on the part of the majority of the elite and successive droughts and famines in the district are the known constraints. Evidence of

Success To cite the noble practice, the college fee and exam fee of the following students paid by Faculty members. Sl. No. Name of the Student Course Period of Study Amount 1. Maheshgowda N First BA 2019-22 Rs.4000 2. Ravishgowda B C First B.Com 2019-22 Rs.10000 3. Anilkumar G T First B.Com 2019-22 Rs.10000 4. Somashekar M First B.Sc 2019-22 Rs.6000 5. Mahesh M First BA 2019-20 Rs.4000 6. Yadunandan H S Second B.Com 2018-21 Rs.8000 7. Sneha S First B.Com 2019-22 Rs.5000 8. Kruthika D First B.Com 2019-22 Rs.6000 9. Aruna G N First B.Sc 2019-22 Rs.5000 10. Dinesha N S First B.Sc 2019-22 Rs.4000 11. Varadaraju K K First BA 2019-22 Rs.4000 Total Rs.66000

Problems Encountered and Resources Required In the beginning this best practice, some group of people opposed the idea that the welfare scholarship holders too should be given the opportunity.

? They also expressed growing apprehension that the funds, for the purpose would be misused. ? As a result, most of the staff did not come forward to contribute to the fund. ? Some even blamed that the idea of the Endowment Scholarships is not based on social justice. ? The college had to overcome many of these impediments to persuade the alumni and other philanthropists in favour of instituting the endowment Best Practice II Title of the Practice: Community

Reach through NSS Objective ? The main objective of this initiative by the staff and students of the college is to reach out to the necessities of the society at large and to give back to the community. ? Creating awareness in the

public on several issues they face in their day to day life, helping economically backward people, orphans and old age persons etc. are some of the initiatives taken up to contribute to the society. The Context: ? There is a growing tendency in present academia to reach out to the society at large and contribute to the wellbeing and betterment of living conditions prevailing in society. ? Some of the Students and staff of the college are voluntarily coming

forward to contribute to remove disparity in different areas. The most important arenas in which contribution is made are giving financially aid, bringing awareness on several issues etc. ? NSS unit of this college is thus a collective initiative of students and staff of the college to understand social problems troubling immediate local community in and around Mandya to integrate these issues with academic study. The Practice: ? Blood donation programmes

organized by the students and staff for Blood Bank, as an exemplary social service practice. ? Awareness programmes on plastic disposal, eye diseases, Diwali fire accidents and electrical safety, social sites on internet, child education, AIDS, clay Ganesh, energy conservation. ? During every Semester, students and staff of the college visit old age homes, observe and understand their living conditions and help them to lead a better life by distributing

food, fruits ceiling fans, medicines and Blankets. ? Other Activities initiated are distribution of books and stationary, rice bags, Rally on Helmet Safety, peace rally on Gandhi jayanthi, anti-drug rally organized every year for Poor students. ? The college observes all important national and international days of social importance like First- Aid- Day, Human Rights Day, International Women's Day, Mental health day, National unity day, voters day, International yoga day etc in the campus and at times extended to beyond the campus. ? The

various programmes associated with these days are like rallies, camps, conducting seminars are organized in order to develop awareness on social issues to students and the general public. ? Programmes on Swatch Bharat, Road safety, are also organized. Evidence of Success: The College has Two Active NSS

Units, namely Unit 1 Unit 2 under the leadership of two Programme Officers. Both the Units are actively engaged in several activities within and outside the college. Some of these are: Date Events 07-08-2019 Inauguration of NSS activities of the college held in the campus. 15-08-2019 Independence Day celebrated 22-08-2019 World Folklore Day was celebrated 31-08-2019 A special

### 7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

Our institution is recognized informally as the Lead College among the private aided institutions in Mandya District and also under University of Mysore. As a result the institution leads the other private aided institution in curricular, extra-curricular and administrative aspects. Our vision is to make the institution one of the best institutions in the state. Our mission is to grow up to the standard and become the first among the institutions in the University of Mysore. Our objective is to prepare the students with good theoretical knowledge and practical skill. To realize our objective we: Conduct soft skill, communication skill training classes regularly to make the students fit for the job market. Encourage students to conduct market surveys, attend seminars, present papers, and participate in competitions. Conduct orientation programs for students and make them aware of the various opportunities and venues open for them after graduation. We encourage students to participate in the training and recruitment programs organized by the institution. CHALLENGES: Students from rural areas are not very good in communication as they did not learn in English medium. Students are not very serious academically and do not have good knowledge about future possibilities. EVIDENCE OF SUCCESS: Gradual increase in final examination results made more Distinction holders every year. This year RPACorporate Services Pvt.Ltd and Infosys recruited some Students with a good annual salary package. Our Students go for higher studies in greater number and welcomed by other post-graduation institution.
