**Action taken Report on Feedback 2021-22**

Action Proposals initiated responding to the alumnus feedback - The majority responses in all the criteria is very positive and indicated the satisfaction of alumni members towards the institution. But major hindrance was that, we could get response from only 50 students. This has to be improved by increasing communication and involvement of members with the association in the coming academic year

Action initiated in response to student's feedback on Teachers - Individual analysis for each faculty is done. Student feedback on each faculty is analyzed and interpreted by the Principal for Understanding the Teaching effectiveness in the institution and Academic growth of the students. Further the same is discussed with the concerned faculty and suggestions are given for needed improvement, also to appreciate good performance.

Action Proposals initiated responding to the Students Feedback on Curriculum - The majority responses in all the criteria is very positive and indicated the satisfaction of students towards the curriculum its content and scope. As the syllabus is designed and managed by Board of Studies of University of Mysore, the feedback and suggestions from the faculty are forwarded from time to time, to the Board for future consideration.
